

2018 Children's World's Fair

Benefitting the

WHAT: A celebration of various cultures and a chance to embark on an exciting trek all in one day! This event is also an inter-generational celebration of cultural diversity in the contributions of science, technology, engineering, and math (S.T.E.M.). While on your expedition, you will experience an international exhibition of crafts, hands-on projects, activities, music, literature, native attire, and food from many regions of the world.

WHY: The Louisiana Children's Museum is excited to announce the 20th *Children's World's Fair*. This year not only marks the 20th year of the event, but also the 300th birthday of the city of New Orleans. To celebrate these milestones, *Children's World's Fair* will showcase the cultures and people that helped to make New Orleans the unique cultural melting pot it is. *Children's World's Fair* provides children ages 4-14 with an appreciation of what is unique and universal to the customs of our global community in an interactive learning environment, making this big world seem a little smaller.

We expect this event to engage over 1,000 explorers who will travel around the world with us! The proceeds from the *Children's World's Fair* provide critical support to the Louisiana Children's Museum's hands-on exhibits, educational programs, and fun, safe, and meaningful learning opportunities for the children of this region.

WHEN: **SATURDAY, MARCH 24, 2018**
12:00 p.m. - 4:30 p.m.

WHERE: **Louisiana Children's Museum**
420 Julia Street New Orleans, LA 70130
